

```
tudat::basic_mathematics  
::Function< IndependentVariable,  
          DependentVariable >
```

A diagram illustrating inheritance. A blue arrow points upwards from the bottom box to the top box, indicating that the bottom class inherits from the top class.

```
tudat::basic_mathematics  
::BasicFunction< IndependentVariable,  
                DependentVariable >
```
